PRE-QUALIFICATION AND ELIGIBILITY CRITERIA

GENERAL:

1.1 General Description of the Stores:

1.1.1 Metro-Link Express for Gandhinagar and Ahmedabad (MEGA) Company Ltd. is the Special Purpose Vehicle of Government of Gujarat and Government of India implementing the Phase I of the Ahmedabad Metro Rail Project. The sanctioned Detailed Project Report (DPR) envisages two corridors viz. East-West corridor, of approximately 19.44 Km length with 17 stations and North-South corridor of approximately 18.49 Km length with 15 stations, comprising of at-grade, elevated and underground sections. The mode of traction is 750V dc Third Rail. The track will be of Standard Gauge (1435 mm). On the East-West corridor a maintenance depot along with full workshop facilities is envisaged at Apparel Park. On the North-South corridor a maintenance depot along with full workshop facilities

is envisaged at Gyaspur. An Integrated Operation Control Centre (OCC) for both the corridors is proposed at Apparel Park Depot and a Back-up Control Centre (BCC) at Gyaspur Depot. The complete work is proposed to be brought into operational use in various stages.

- 1.1.2 The work in this document comprises Design, Supply, Installation, Testing and Commissioning of Two Sets of Synchronized Pit Jacks for Lifting Three Car Trains and Two Sets of Synchronized Mobile Jacks for Lifting Three Car Trains, one set each at Gyaspur and Apparel Park Depots, supply of spares and tools and the training of operation and maintenance personnel of the Purchaser.

1.2 Source of Funds:

Ahmedabad Metro Rail Project Phase-I is financed partly through budgetary resources of Government of Gujarat (GoG), Government of India (GoI) and partly through loans from local Banks and/or **Japan International Cooperation Agency (JICA)** or any other International Funding Agency. This work for Design, Supply, Installation, Testing and Commissioning of Two Sets of Synchronized Pit Jacks for Lifting Three Car Trains and Two Sets of Synchronized Mobile Jacks for Lifting Three Car Trains is funded by contribution of the two Governments and not through JICA loan. It will be an International Competitive Bidding Tender but will not require JICA concurrence at any time/stage.

1.3 Eligible Tenderers:

- 1.3.1 Interested Manufacturers of International repute may submit the Tender as Single Entity or as a Joint Venture or Consortium with Authorized Agent or Indian firm in case of foreign manufacturers but with a maximum of two members. Foreign Tenderers are encouraged to associate any Indian firm experienced in the similar Contract as a member in a Joint Venture or Consortium or as a Sub-contractor to act as Indian point of contact for Purchaser during and after the tendering process. The Lead Member of Joint Venture or Consortium shall be a manufacturer and his percentage participation in financial terms must be at least 70% in the JV/Consortium.
- 1.3.2 The Tenders for this Contract will be considered only from those Companies, Corporations, Consortiums and Joint Ventures, who meets the Eligibility Criteria based on the information and documents submitted with Appendix FT-3 to Form of Tender. Financial Evaluation shall be made only for the responsive Tenders. A responsive tenderer is one whose offer passes the Eligibility Criteria, Qualifying requirements and Technical requirements.

1.4 Eligible Source Countries for Materials, Plant, and Services, etc.:

There is no restriction in principle on the country of origin of Plant, Materials, and Services to be provided under the Contract. However, all Plant, Materials and Services shall be to the satisfaction of the Purchaser and the Engineer. All Plant, Materials and Services included in the Tenderer's Proposals and incorporated into the Contract Document shall not, in any event, be construed as a submission to the Purchaser and the Engineer under the Contract. Tenderers may associate Indian Companies for customizing, local support in installation, testing and commissioning, etc. and after sale service.

1.5 Eligibility Criteria:

In order to be determined as eligible tenderer for this tender, the tenderer must meet the criteria mentioned in this Clause 1.5 including all Sub-Clauses.

Wherever a Tenderer requires to state a monetary amount in this Clause, tenderers should indicate the USD equivalent using the rate of exchange determined as follows:

- (a) For turnover or financial data required for each year - Exchange rate prevailing on the last day of the respective calendar year/financial accounting year, as applicable.
- (b) Value of single Contract - Exchange rate prevailing on the date of the Contract.

Exchange rates shall be taken from the publicly available source (**TT Selling rate of State Bank of India (SBI)**) or, in case such rates are not available in the source identified above, any other publicly available source acceptable to the Employer. Any error in determining the exchange rates may be corrected by the Employer.

1.5.1 Net worth:

Net worth, calculated as the difference between total assets and total liabilities, in the 'last financial year' should be positive for each member in the JV/Consortium. The financial year as applicable in the country of origin of the tenderer would be considered. The 'last financial year' will be the latest financial year that ended before the 'latest date of submission' for this tender.

1.5.2 Average annual turnover:

Tenderer must have minimum average annual turnover of not less than INR 180 million (USD 3.0 million) in 'last three financial years'. Minimum average annual turnover of INR 180 million will be calculated as per audited financial statements provided in total contract turnover, within the 'last three financial years' divided by three years. The 'financial year' as applicable in the country of origin of the tenderer would be considered. The 'last financial year' will be the latest financial year that ended before the 'latest date of submission' for this tender.

In case of JV, all parties combined must meet the requirement and lead member must meet a minimum 70 (seventy) percent of the requirement whereas other members must meet a minimum 30 (thirty) percent of the requirement.

1.5.3 Financial Resources:

The Tenderer shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means (independent of any contractual advance payment) sufficient to meet the cash flow requirements estimated as INR 40 million (0.61 million US dollar) for the subject Contract(s) net of the tenderer's other commitments.

In case of JV, all parties combined must meet the requirement and lead member must meet a minimum 70% of the requirement whereas other members must meet a minimum 30% of the requirement.

Notes On Financial criteria:

- Financial data for latest last five audited financial years has to be submitted by the

tenderer in relevant form of FOT along with audited balance sheets. The financial data in the prescribed format shall be certified by Chartered Accountant with his stamp and signature. In case audited balance sheet of the last financial year is not made available by the bidder/tenderer, he has to submit an affidavit certifying that the balance sheet has actually not been audited so far. In such a case the financial data of previous '4' audited financial years will be taken into consideration for evaluation. If audited balance sheet of any year other than the last year is not submitted, the tender will be considered as non-responsive.

- Where a work has been earlier undertaken in a JV/Consortium, only that portion of the contract which has been undertaken by the concerned applicant/member should be indicated and the remaining done by the other members of the group be excluded. This is to be substantiated with documentary evidence.
- Value of existing commitments for on-going construction works during period of 16 months has to be submitted by the tenderer in relevant sections of FOT and or Annexure attached for the same. These data shall be certified by the Chartered Accountant with his stamp and signature.
- In the case of a JV, the above formula will be applied to each member to the extent of his proposed participation in the execution of the work. If the proposed % participation is not mentioned, then equal participation will be assumed.

1.5.4 Experience:

- a) The Tenderer must have Designed, Manufactured, Installed, Tested & Commissioned a minimum 10 (ten) sets of **the Synchronized Pit Lifting Jacks** having a similar level of (1) Technological Complexity, (2) Performance and Accuracy as defined under Clause 3.3.1 of Particular Specification, and (3) Operational Capability as defined under Sub-Clause 3.6 of Particular Specification during last five years ending 31.3.2016 to any Metro Railway/Suburban Railway/Main line Railway System. Each set consisting of minimum 4 No. of Bogie Jacks and 4 (four) pairs of Body Jacks.
- b) Out of the above, a minimum 2 (two) sets of pit jacks must be in operation with satisfactory performance for a minimum period of two years after commissioning as on the date of opening of Tender and supported by a recent performance certificate from clients.
- c) The Tenderer must have Designed, Manufactured, Installed, Tested & Commissioned a minimum 10 (ten) sets of **the Synchronized Mobile Lifting Jacks** having a similar level of (1) Technological Complexity, (2) Performance and Accuracy as defined under Clause 4.3.1 of Particular Specification, and (3) Operational Capability as defined under Sub-Clause 4.5 of Particular Specification during last five years ending 31.3.2016 to any Metro Railway/Suburban Railway/Main line Railway System. Each set consisting of minimum 8 sets of Mobile Jacks.
- d) Out of the above, a minimum 2 (two) sets of Mobile Jacks must be in operation with satisfactory performance for a minimum period of two years after commissioning as on the date of opening of Tender and supported by a recent performance certificate from clients.

- e) In case of JV/Consortium, the Lead Member must meet the eligibility criteria as mentioned in Sub-Clause 1.5.4 (a) to Sub-Clause 1.5.4 (d) above.

Notes:

- The tenderer shall submit details of works executed by them in the Proforma of FOT and or Annexure attached for the works to be considered for qualification of work experience criteria. Documentary proof such as completion certificates from client indicating the nature/scope of work, actual completion cost and actual date of completion of such work should be submitted. The offers submitted without this documentary proof shall not be evaluated. In case the work is executed for private client (That is a non-Government entity, which may be Private Limited or Public Limited Companies, Joint Venture/Consortium of reputable members/partners or any statutorily established Special Purpose Vehicle(SPV) or any foreign Incorporated Company), copy of work order, bill of quantities, bill wise details of payment received certified by C.A.(Chartered Accountant/Auditors), T.D.S.(Tax Deducted at Source along with TAN No. of Deduct or/Client) certificate for all payments received and copy of final/last bill paid by client shall be submitted.
- Value of successfully completed portion of any ongoing work up to 31-05-2016 will also be considered for qualification of work experience criteria, provided at-least 90% of the Contract Value of Work is completed.
- For completed works, value of work done shall be updated to 31-05-2016 price level assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year. The exchange rate of foreign currency shall be applicable 28 days before the last date of submission of tender.
- In case of Joint Venture/Consortium, full value of the work, if done by the same joint venture shall be considered. However, if the qualifying work(s) were done by them in JV/Consortium having different constituents, then the value/quantity of work as per their percentage participation in such JV/Consortium (of which experience/turn-over is claimed) shall be considered (Unless otherwise certified by the Client furnishing exact value/quantity of work done by the subject member/partner of the JV/Consortium).
- For Clause 1.5.2 and 1.5.4 (a), (b), (c) and (d), Clear and unambiguous Certificates (in English) from the Clients should be submitted duly indicating the Contract reference, Percent participation of each member in case the work was carried out as JV/Consortium, scope of work, completion cost, date of start, date of completion as per contract, Actual/extended date of completion, reason for the delay etc.,
- Applications containing deficient information, certificates are liable to be rejected.
- Certified copies of Client's (duly signed) Certificates shall be notarized by the Notary Public.
- All the supporting submittals are to be self-attested also by the Tenderer.
- In above, Completed work means even 'on-going works' where the required similar work has been physically completed in all respects but may not have been put into commercial operation. They are to be supported by the Client's Certificate(s) /

Agreement / Work Order copy along with the Application/Tender submission.

1.6 Qualification of the Tenderer:

- 1.6.1 The Tenderers to qualify for award of Contract, shall submit a written notarized Power of Attorney (PoA) authorising the signatories of the Tender to commit a firm or each member of the Consortium or Joint Venture. If Tenders will be submitted through the Authorized Agent of manufacturers, the authorization letter in favour of the Authorized Agent from the manufactures in the format provided in Annexure-2 to “Instruction to Tenderers” shall be submitted with the Tender.
