NOTICE INVITING TENDER

Contract Identification No: MEGA/S&T/ISA-01

1. The work under contract MEGA/S&T/ISA-01 comprises Independent Safety Assessment (ISA) of the Signalling & Train Control system (S&TC) covering all safety critical and safety related functions and its safety related interface requirement with Interfaced System to be implemented at Metro Link Express for Gandhinagar and Ahmedabad Company Limited (hereinafter referred as MEGA or MEGA Co. Ltd. or Company or Employer or Client) for the Ahmedabad Metro Rail Project Phase-I comprising of East West corridor of 20.737 Kms and North South corridor of 18.522 Kms.
2. Interested firms are being invited to submit a proposal for the Independent Safety Assessment (ISA) Services. The invitation is based on Research Designs & Standards Organization (RDSO) of Indian Railways Letter No. STS/E/ISA-VOL-III Dated 07.12.2015 and wherein your firm is listed/empanelled.
3. Interested firms may submit proposal either as a sole firm or as JV/Consortium. In case of JV/Consortium, all the partners of the JV/Consortium shall be on the list of RDSO's panel of Independent Safety Assessors (ISA). It is not permissible to transfer this invitation to any other firm/entity.
4. The entire work under scope shall be awarded to one tenderer and splitting of work is not envisaged.
5. The Client invites sealed Tenders from eligible Tenderers for the services of ISA comprising of two envelopes, to be submitted simultaneously as under: -
 - (a) First envelope, called "Technical Package" including the Tender Guarantee and
 - (b) Second envelope, called "Financial Package".

6. Minimum Eligibility Criteria – Work Experience Requirements for ISA

The Tenderer will be qualified only if:

- (a) The entity or members of the JV/Consortium (could have been a member of some other JV/consortium) shall have collectively and successfully completed a minimum of 02 (two) projects of Independent Safety Assessment/Audit of Signalling and Train Control System of a Metro Railway, involving Automatic Train Control Grade of Automation 2, 3 or 4, Electronic Interlocking and their interfaces (one project must include a Communication Based Train Control Signalling System), of not less than 10 km each, in the last 7 years

ending as on the last date of Tender Submission. (Completion Certificates from clients issued in the name of Tenderer/JV/Consortium shall be attached in support of the credentials, failing which the credentials will NOT be considered for eligibility).

- (b) The Tenderer should have valid accreditation under scope of ISO/IEC 17065 or EN 45011 as on last date of Tender Submission. If accreditation is to be achieved by Tender Submission Date, an undertaking to this effect shall be submitted by the top management of the Tenderer.
 - (c) The Tenderer shall be included in the Panel of *Independent Safety Assessors for Metro Signalling Projects/Systems, Annexure A* issued by *RDSO, Lucknow* vide their letter no. STS/E/ISA-Vol-III dated 07/12/2015.
 - (d) The Tenderer shall submit details of work successfully executed / in progress by them.
 - (e) In case of JV/Consortium, full quantum/scope of the work, if done by the same JV/Consortium shall be considered. However, if the qualifying works were done by them in JV/Consortium having different constituent, then the quantum/scope of work as per their percentage participation in such JV/ Consortium shall be considered for eligibility.
 - (f) The Tenderer should not have been blacklisted by any organization or penalized for poor quality work or abandoned any work in the last 7 years ending **30 September 2017**.
7. Eligible Tenderers may obtain further information on the Tender Documents at the office of the Client: -
