A record-breaking number of total passenger journey 4,05,264 was recorded in the recently concluded concert at Narendra Modi Stadium during 25th and 26th Jan, 2025 as GMRC extended the metro train service till 00:30 hrs, in Ahmedabad Metro (Motera to APMC and Vastral Gam to Thaltej Gam). The metro trains ran with a frequency of 8 minutes for the concert.

Apart from regular 313 trips per day, on 25th January, 93 extra trips were made whereas on 26th January, 114 extra trips were made by Ahmedabad Metro.

Further, proper arrangements and proper coordination with the organizer, security agencies, traffic authorities etc. was done as a result of which no adverse incident occurred during these two days on Metro network due to heavy rush.

This was possible due to the support of the State Government, Municipal Corporation, Ahmedabad police and security agencies for which GMRC is thankful.
