PRE-QUALIFICATION AND ELIGIBILITY CRITERIA**GENERAL:****1.1 General Description of the Stores:**

- 1.1.1 Gujarat Metro Rail Corporation (GMRC) Limited, [Formerly known as Metro-Link Express for Gandhinagar and Ahmedabad (MEGA) Company Ltd.] is the Special Purpose Vehicle of Government of India and Government of Gujarat implementing the Phase I of the Ahmedabad Metro Rail Project. The sanctioned Detailed Project Report (DPR) envisages two corridors viz. East-West corridor, of approximately 19.44 Km length with 17 stations and North-South corridor of approximately 18.49 Km length with 15 stations, comprising of at-grade, elevated and underground sections. The mode of traction is 750V dc Third Rail. The track will be of Standard Gauge (1435 mm). On the East-West corridor a maintenance depot along with full workshop facilities is envisaged at Apparel Park. On the North-South corridor a maintenance depot along with full workshop facilities is envisaged at Gyaspur. An Integrated Operation Control Centre (OCC) for both the corridors is proposed at Apparel Park Depot and a Back-up Control Centre (BCC) at Gyaspur Depot. The complete work is proposed to be brought into operational use in various stages.
- 1.1.2 The work in this Tender document comprises Design, Supply, Installation, Testing and Commissioning of Two Sets of Fully Automatic Train Wash Plant, one set each at Gyaspur and Apparel Park Depots, supply of spares and tools and the training of operation and maintenance personnel of the Purchaser.

1.2 Source of Funds:

- 1.2.1 Ahmedabad Metro Rail Project Phase-I is financed partly through budgetary resources of Government of Gujarat (GoG) and Government of India (GoI) on equal equity basis (50:50) and partly through loans from Japan International Cooperation Agency (JICA).
- 1.2.2 This work for Design, Supply, Installation, Testing and Commissioning of Two Sets of Fully Automatic Train Wash Plant is funded by contribution of Government of Gujarat (GoG) and Government of India (GoI) and not through JICA loan. It will be Local Competitive Bidding. Tender will not require JICA concurrence at any time/stage.

1.3 Eligible Tenderers:

- 1.3.1 Lead partner must have a minimum of 26% participation in the JV/Consortium. Each other partners should have a minimum of 20% participation in the JV/Consortium. The lead partner in case of JV/Consortium, shall be one who has experience as mentioned in NIT 1.5.4.
- 1.3.2 The Tenders for this Contract will be considered only from those Companies, Corporations, Consortiums and Joint Ventures, who meets the Eligibility Criteria based on the information and documents submitted with Appendix FT-3 to Form of Tender (i.e., Eligibility Criteria cum Qualification Requirement (ECcQR) of Volume – 1). Financial Evaluation shall be made only for the responsive Tenders. A responsive Tenderer is the one whose offer passes the Eligibility Criteria, Qualifying requirements and Technical requirements.

1.4 Eligible Source Countries for Materials, Plant, and Services, etc.:

- 1.4.1 There is no restriction in principle on the country of origin of Plant, Materials, and Services to be provided under the Contract. However, any Tenderer or manufacturer from a country which shares a land border with India will be eligible to bid in this Tender only if the Tenderer or Manufacturer is registered with the Competent Authority i.e. Department for Promotion of Industry and Internal Trade – DPIIT.
- 1.4.2 In case any foreign manufacturer wishes to participate in this Tender, they may associate Indian Companies having requisite experience for customizing, local support in installation, testing and commissioning, etc. and after sale service.
- 1.4.3 To encourage ‘**Make in India**’ and promote manufacturing and production of goods and services in India, **Purchase Preference** shall be given to local suppliers in accordance with the criteria laid down for ‘**Local Suppliers**’ and ‘**Margin of Purchase Preference**’ vide Ministry of Commerce and Industry, Government of India, Order No.P-45021/2/2017-B.E-II dated 04/06/2020 and any subsequent order issued by the government in this regard. The margin of purchase preference for this Tender shall be 20%.
- 1.4.4 For determining the extent of ‘**Local Content**’ and ‘**Class of Local Supplier**’, and verification thereof, decision of the Purchaser shall be final and binding.
- 1.4.5 **False Declarations on Local Content** will be in breach of the Code of Integrity for which a Tenderer or its successors can be debarred along with such other actions as may be permissible under law.
- 1.4.6 The successful Tenderer shall not be allowed to sub-contract this works to any other Contractor or Manufacturer.

1.5 Eligibility Criteria:

In order to be determined as eligible Tenderer for this Tender, the Tenderer must meet the criteria mentioned in this Clause 1.5 including all Sub-Clauses.

Wherever a Tenderer requires to state a monetary amount in this Clause, tenderers should indicate the INR or equivalent INR using the rate of exchange determined as follows:

- (a) For turnover or financial data required for each year – Exchange rate prevailing on the last day of the respective calendar year/financial accounting year, as applicable.
- (b) Value of single Contract – Exchange rate prevailing on the date of the Contract.

Exchange rates shall be taken from the publicly available source (**TT Selling rate of State Bank of India (SBI)**) or, in case such rates are not available in the source identified above, any other publicly available source acceptable to the Employer. Any error in determining the exchange rates may be corrected by the Employer.

1.5.1 Net worth:

Net Worth of tenderer during last audited financial year should be Rs. 0.768 Cr. In Case of JV/Consortium- Net worth will be based on the percentage participation of each Member.

Example: Let Member-1 has percentage participation = M and Member-2 has =N. Let the Net worth of Member-1 is A and that of Member-2 is B, then the Net worth of JV/Consortium will be = $\frac{AM+BN}{M+N}$.

1.5.2 Average annual turnover:

The average annual turnover of last three financial years should be > Rs. 3.072 Crores. The average annual turnover of JV/Consortium will be based on percentage participation of each member

Example: Let Member-1 has percentage participation=M and Member - 2 has =N. Let the average annual turnover of Member-1 is 'A' and that of Member-2 is 'B', then the average annual turnover of JV/Consortium will be = $\frac{AM+BN}{100}$

Notes:

- a) Financial data for latest last Five audited financial years has to be submitted by the tenderer in APPENDIX FT-3, ANNEXURE-3 of ECcQR along with audited balance sheets. The financial data in the prescribed format shall be certified by Chartered Accountant with his stamp and signature with UDIN. In case audited balance sheet of the last financial year is not made available by the bidder, he has to submit an affidavit certifying that 'the balance sheet has actually not been audited so far'. In such a case the financial data of previous '4' audited financial years will be taken into consideration for evaluation. If audited balance sheet of any year other than the last year is not submitted, the tender will be considered as non-responsive.
- b) Where a work is undertaken by a group, only that portion of the contract which is undertaken by the concerned applicant/member should be indicated and the remaining done by the other members of the group be excluded. This is to be substantiated with documentary evidence

1.5.3 Financial Resources:

T1 – Liquidity: It is necessary that the firm can withstand cash flow that the contract will require until payments received from the Employer. Liquidity therefore becomes an important consideration.

This shall be seen from the balance sheets and/or from the banking reference. Net current assets and/or documents including banking reference (as per proforma given in Annexure – 5 of ITT), should show that the applicant has access to or has available liquid assets, lines of credit and other financial means to meet cash flow of Rs.0.512 Crores for this contract, net of applicant's commitments for other Contracts. Banking reference should contain in clear terms the amount that bank will be in a position to lend for this work to the applicant/member of the Joint Venture/Consortium. In case the Net Current Assets (as seen from the Balance Sheets) are negative, only the Banking references will be considered. Otherwise the aggregate of the Net Current Assets and submitted Banking references will be considered for working out the Liquidity.

The banking reference should be from a Scheduled Bank in India or (in case of foreign parties) from an international bank of repute acceptable to GMRC and it should not be more than 3 months old as on date of submission of bids.

In Case of JV/Consortium- Requirement of liquidity is to be distributed between members as per their percentage participation and every member should satisfy the minimum requirement.

Example: Let member-1 has percentage participation=M and member-2 has percentage participation=N. If minimum liquidity required is 'W' then liquidity of

$$\text{member-1} \geq \frac{W M}{100}$$

$$\text{And liquidity of member-2} \geq \frac{W N}{100}$$

Profitability: Profit before Tax should be positive in atleast two year out of last five audited financial year. In case of JV, the profitability of only lead member shall be evaluated.

Notes:

- a) Financial data for latest last five financial years has to be submitted by the tenderer in Appendix -15 of FOT along with audited financial statements. The financial data in the prescribed format shall be certified by the Chartered Accountant with his stamp and signature in original with membership number and firm registration number.
- b) Value of existing commitments for on-going works during period of 12 months w.e.f. from the first day of the month of tender submission has to be submitted by the tenderer in Appendix – 16 of FOT. These data shall be certified by the Chartered Accountant with his stamp and signature in original with membership number and firm registration number.
- c) In the case of a group, the above formula will be applied to each member to the extent of his proposed participation in the execution of the work. If the proposed % participation is not mentioned then equal participation will be assumed.

1.5.4 Experience:

- (a) The Tenderer must have Designed, Manufactured, Tested & Commissioned a minimum 5 (five) No. of Automatic Train Wash Plant having a similar level of (1) Technological Complexity, (2) Operational Capability as defined under Clause 3.5 of Particular Specification, and (3) Operational parameters as defined under Clause 3.4 of Particular Specification during last five years ending on the last day of the month previous to the month of Tender submission to any Metro Railway/Suburban Railway/Main line Railway System. Wash plant having provision of front, rear & side wall washing and similar degree of interface with Rolling Stock, Signalling and Telecommunication system, etc will be considered only, supporting document for the same must be submitted.
- (b) Out of the above, a minimum 2 (two) No. of Automatic Train Wash Plants must be in operation with satisfactory performance after commissioning for a minimum period of two years ending on the last day of the month previous to the month of Tender submission. This should be supported by a recent performance certificate from clients.
- (c) In case of JV/Consortium, the Lead Member must meet the eligibility criteria as mentioned in Sub-Clause 1.5.4 (a) and 1.5.4(b) above. However, if the product is

being manufactured in India under a license from a foreign manufacturer who holds the intellectual property rights and where there is a technology collaboration agreement / transfer of technology agreement for indigenous manufacture of a product developed abroad with a clear phasing of increase in local content, the Indian partner may use the credentials of foreign manufacturer for the criteria Sub-Clause 1.5.4 (a) and 1.5.4(b) as above. The relevant documents for compliance of above referred technology collaboration agreement / transfer of technology agreement for indigenous manufacture of a product developed abroad with a clear phasing of increase in local content shall also be submitted by the bidder.

Notes:

- (1) The Tenderer shall submit details of works executed by them in the prescribed Proforma available at Annexure-2 of Appendix FT-3 of Volume -1, ECcQR or Annexure attached for the works to be considered for qualification of work experience criteria. Documentary proof such as completion certificates from client indicating the nature/scope of work, actual completion cost and actual date of completion of such work shall be submitted. The offers submitted without this documentary proof shall not be evaluated. In case the work is executed for private client (That is a non-Government entity, which may be Private Limited or Public Limited Companies, Joint Venture/Consortium of reputable members/partners or any statutorily established Special Purpose Vehicle (SPV) or any foreign Incorporated Company), copy of work order, bill of quantities, bill wise details of payment received certified by C.A.(Chartered Accountant/Auditors), T.D.S. (Tax Deducted at Source along with TAN No. of Deductor or/Client) certificate for all payments received and copy of final/last bill paid by client shall be submitted.
- (2) Value of successfully completed portion of any ongoing work, as on Tender submission date, will also be considered for qualification of work experience criteria, provided at-least 90% of the Contract Value of Work is completed.
- (3) For completed works, value of work done shall be updated, as on Tender submission date to price level assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year. The exchange rate of foreign currency shall be applicable at the close of business of the State Bank of India on the last working day before the latest date of Tender submittal.
- (4) In case of Joint Venture/Consortium, full value of the work, if done by the same joint venture shall be considered. However, if the qualifying work(s) were done by them in JV/Consortium having different constituents, then the value/quantity of work as per their percentage participation in such JV/Consortium (of which experience/turn-over is claimed) shall be considered (Unless otherwise certified by the Client furnishing exact value/quantity of work done by the subject member/partner of the JV/Consortium).
- (5) For Clause 1.3.1, 1.5.2, 1.5.3, 1.5.4(a), 1.5.4(b) and 1.5.4(c), a clear and unambiguous Certificates (in English) from the Clients shall be submitted duly indicating the Contract reference, Percentage participation of each member in case the work was carried out as JV/Consortium, scope of work, completion cost, date of start, date of completion as per Contract, Actual/extended date of completion, reason for the delay etc.,

- (6) Applications containing deficient information, certificates are liable to be rejected.
- (7) Certified copies of Client's (duly signed) Certificates shall be notarized by the Notary Public.
- (8) All the supporting submittals are to be self-attested also by the Tenderer.
- (9) In above, completed work means even 'on-going works' where the required similar work has been physically completed in all respects but may not have been put into commercial operation. They are to be supported by the Client's Certificate(s) / Agreement / Work Order copy along with the Application/Tender submission.

1.6 Qualification of the Tenderer:

- 1.6.1 To qualify for award of the Contract, the Tenderers shall submit a written notarized Power of Attorney (PoA) authorising the signatories of the Tender to commit a firm or each member of the Consortium or Joint Venture.
