NEARING COMPLETION

Work in progress on the extra-dosed cable-stayed bridge across Narmada main canal, which connects Narendra Modi Stadium to Gandhinagar section of Ahmedabad Metro Rail project's Phase II. The Gujarat Metro Rail Corporation said on Tuesday that work is nearing completion and train trials are expected to begin in March or April. In an official release, it said, "...work of the pylons and 100 of the 105 segments has been completed and bridge work will be completed shortly... following which, laying of track and installation of third rail, among others, will be completed." *Express*
