1	2	VIIC, Tender Drawing	-	-	Tender Drawings	As this is an item rate tender, the complete set of tender documents presently consists only of station GAD drawings, which do not provide sufficient clarity regarding certain items such as Signages, Kerb Stones, FOB/Skywalks, etc., making it difficult to calculate accurate quantities and quote the rates appropriately. Therefore, we kindly request you to share at least the preliminary/intention drawings/details for Signages, FOB/Skywalks, Kerb Stones, and other relevant items for better understanding of the item descriptions and scope of work for proper estimation and quoting	As required relevant drawings details asked are already provided to tenderer along with tender . Balance 02 Typical drawings are incorporated in Addendum no. 4, SN 2. These are indicative only and subject to change as per site conditions and actual work requirements
2	1	III, EQC	4.4	5	4.4 The tenderer shall have executed minimum one detailed design experience / work for Multi-Modal Integration elements like footpath, intersections, Foot Overbridge/skywalk, urban street scaping etc. of value not less than INR 65 Lacs for MRTS/LRT/Railways/ISBT/Bus Terminals or any other urban project during the last seven years ending on the last day of the month previous to the month of tender submission. In case, if tenderer(s) doesn't possess the above experience on their own, they have to propose designated sub-contractor(s), fulfilling the above criteria, with necessary details in the "Form – 4.2 (b)" of IFcQR	There is an additional eligibility criterion regarding Detailed Design Experience mentioning that at least one design work should be greater than or equal to INR 65 Lakhs for MMI elements (Footpaths, FOB/Skywalks, Urban Streetscaping). In this regard, we request you to kindly clarify whether experience of execution under an EPC Design-Build Contract involving bridges along with MMI elements shall be considered eligible towards meeting this qualification criterion.	Works executed as a part of EPC Design Build contract would also qualify as eligible, if the cost of Detailed Design component in such EPC contract is greater than or equal to INR 65 Lakhs for MMI elements (Footpaths, FOB/Skywalks, Urban Streetscaping).
3	1	IV, BOQ	-	-	Financial Bid	Upon detailed review of the tender documents and BOQ, we have observed that for several items, the units mentioned in the BOQ appear to differ from the standard units generally followed in CPWD DSR. Hence, we kindly request you to verify and, if required, reissue the complete BOQ. Further, we also request you to kindly provide the complete BOQ and Bid Data Sheet in editable Excel format, if possible, for ease of rate quoting and tender submission.	The unit of measurement are in line with CPWD DSR. The pricing excel is attached as Annexure - 2 of Addendum no. 4. Tender conditions prevail.
